

AEye to Report Second Quarter 2026 Results on Thursday, August 6 and Host Conference Call and Webcast

July 16, 2026

PLEASANTON, Calif.--(BUSINESS WIRE)--Jul. 16, 2026-- AEye, Inc. (Nasdaq: LIDR), a global leader in software-defined, high-performance lidar solutions, today announced that it will release its second quarter 2026 financial results after market close on Thursday, August 6, 2026.

A conference call and webcast will be held on the same day, at 2:00 p.m. Pacific Time (5:00 p.m. Eastern Time). During the call, AEye CEO Matt Fisch and CFO Conor Tierney will review the company's financial results and provide a business update, followed by a question-and-answer session. Supplemental financial information will be available on the company's website prior to the conference call.

The live webcast of the call with an accompanying slide presentation can be accessed at <https://edge.media-server.com/mmc/p/tmd5jc68>. A replay of the webcast will be archived on the company's investor relations website.

About AEye

AEye offers a suite of unique software-defined lidar solutions that address a wide range of real-world needs including advanced driver-assistance, vehicle autonomy, smart infrastructure, security, defense, and logistics applications. AEye's flagship product, Apollo™, has been widely recognized for its small form factor and its ability to detect objects at up to one kilometer. In addition to Apollo™, AEye also offers STRATOS™ with the ability to detect objects at up to one-and-a-half kilometers as well as a full-stack solution through its OPTIS™ platform. OPTIS™ provides a complete system that captures a high-resolution 3D image of the world, interprets it, and provides direction to act upon what it sees in real-time.
