

## **AEye Schedules Fourth Quarter and Full Year 2021 Conference Call/Webcast for Monday, March 28**

March 21, 2022

DUBLIN, Calif.--(BUSINESS WIRE)--Mar. 21, 2022-- AEye, Inc. (Nasdaq: LIDR), the global leader in adaptive, high-performance lidar solutions, today announced that it will release its financial results for the fourth quarter and full year ended December 31, 2021, after market close on Monday, March 28, 2022. On that day, management will discuss the financial results, as well as the company's progress, differentiation, and unique performance metrics in a conference call/webcast at 2:00 p.m. Pacific Time (5:00 p.m. Eastern Time).

The call/webcast will be available via:

Webcast: <https://investors.aeye.ai/>

Conference Call: 866-652-5200 (domestic) or 412-317-6060 (international)

Supplemental financial information and the text of the fourth quarter and full year 2021 press release will be available on the company's website before the call/webcast. A recording of the webcast will be made available after the call concludes.

### **About AEye**

AEye's software-defined lidar enables advanced driver-assistance, vehicle autonomy and industrial applications that save lives and propel the future of transportation and mobility. The company's 4Sight™ Intelligent Sensing Platform uses adaptive lidar to focus on what matters most: enabling faster, more accurate and reliable perception for dynamic applications ranging from autonomous driving to intelligent infrastructure, which require precise measurement imaging to ensure safety and performance. The company was founded in 2013 and is based in the San Francisco Bay Area.
