1. We note your response to prior comment five of our letter dated June 9, 2021; however, given that the merger will be accounted for as a reverse recapitalization with AEye as the accounting acquirer, it appears to us that the expenses incurred by CF III are transaction costs related to the merger that should be expensed as incurred and recorded in the proforma statement of operations as a non-recurring item. Please advise or otherwise modify your presentation

accordingly.
